

# SAN LUIS OBISPO COUNCIL OF GOVERNMENTS

## STAFF REPORT

MEETING DATE: July 15, 2009

### ADDENDUM

SUBJECT: SUMMARY OF ADVISORY COMMITTEE ACTIONS/RECOMMENDATIONS –  
TTAC, CTAC

**All circled items have updated information attached.**

#### A. PRESENTATIONS

A-1 Ride-On Transportation Presentation.

**Staff:** Information

**TTAC:** No Action

**CTAC:** Received as presented.

**A-2** Highway 101 Proposed Median Barrier Projects.

**Staff:** Approve the following as recommendations to Caltrans for all median barrier projects within the San Luis Obispo County region:

1. Include SLOCOG and local jurisdiction (public works and/or planning) staff on all project development teams from project inception.
2. Retain and protect as much median vegetation within project area as possible.
3. Retain and protect median trees (and root structures) and mitigate within project area.
4. Retain as much pervious surface as possible and limit median paving up to ten (10) feet from edge of travel.
5. Consider aesthetic treatment of barrier a project component when concrete barrier is determined as essential.

**TTAC:** Received Information and directed staff to prepare specific recommendations.

**CTAC:** Conceptual support of proposals to the extent that the projects can be demonstrated for safety and added pavement must be maintained over time and shall not exceed the amount needed for safety.

#### B. TRANSPORTATION ITEMS

**B-1** 2010 Project Programming Update and Schedule.

**Staff:** Support Programming schedule and issue Call for Projects
